Re: Application of Soda City Movers, LLC to Amend Tariff and Request for Waiver
of Notice by Publication

Dear Commission:

Enclosed please find a request of Soda City Movers, LLC to amend its tariff. The amended tariff proposes updated labor charges, updated travel fee charges, and adjustments to additional fees we charge. While we have held out as long as possible, due to increase in fuel, material, and labor costs, it is necessary for adjustments to be made to our pricing structure. We have seen over 20% increase in fuel costs, 25% increase in labor costs, and more than 30% (and counting) increase in our materials and equipment due to supply issues.

I am requesting the Commission waive the requirement of waiver by publication on the grounds that adequate notice of the proposed amendment is provided by the Commission's website through its Docket Management System. Waiver of notice by publication is expressly allowed by the Commission's regulations. S.C. Code Reg. 13-103-193(2).

Thank you for your consideration in this matter.

Sincerely,

s/ Eric Snijders
